Jesus' first miracle is a big one. He changes water into wine, and doesn't just produce a little amount, do that math! The idea of abundance - loaves and fish for thousands, the great catch of fish- will be an important concept throughout Jesus' ministry, which is beginning here. This miracle is another sign, like the ones we've heard over the past weeks, that we should pay attention. God is doing something new through Jesus. Ask Mary to intercede for you, as she did for the bridal party here, that you will be attuned to the workings of God in your life. John 2:1-11 (Sunday Prayers for Teens 2015-2016, LTP)

Care For Creation--The Archdiocese Climate Change Task Force is providing sample bulletin announcements once a month that include a sample prayer/reflection, quote from the Holy See, and energy-saving/care for creation tip. Please feel free to use these as appropriate.

Prayer/Reflection: On this winter's day we are warmed by the beauty of this place in which we live, by the company of family and friends, by our passion for justice, peace and care for our common home, the Earth. May the thoughts of our hearts, the words of our mouth, the work of our hands, and all that we do with our lives speak of grace and truth as we seek to live in the way of Christ. Amen. Quote from the Holy See: "The mercy to which we are all called embraces all of creation. God has entrusted (creation) to us because we are stewards, not exploiters or worse till destroyers." Pope Francis, St. Peter's Square, Oct. 28, 2015

Caring for Creation Tip:

NEW LOOK TO SUNDAY BULLETIN

Have you noticed something different about the bulletin you are holding in your hands? We are trying to eliminate a lot of items and lists that are repetitious from week to week and move them to the front cover. Then we can save the inside of the bulletin for changeable notices and items. We will also be saving the cost of paper and printing of many pages of inserts. The weekly bulletins, but not inserts, are provided by the sponsors on the back page of the bulletin and at no cost to the parish. So please consider supporting them with your patronage.

In order to accomplish this we need all news items for the bulletin to be sent to the parish office no later than 9 a.m. on the Monday before the desired date of publication. Special deadlines because of holiday schedules will be provided when they occur. All with news items should plan ahead and not request your announcement be made at Mass at the last minute because you missed the deadline.
